

California Whale Entanglement Discussion
Thursday, August 20, 2015
8:30 am - 4:30 pm
Elihu Harris Bldg.
Conference Room 1
1515 Clay Street, Oakland California

Due to concerns regarding the increased trend of reported whale entanglements in California fishing gear, we seek to engage the Dungeness crab fleet and interested parties to understand what is causing the increase. Our goal is to share ideas and discuss solutions to minimize whale entanglements in California fishing gear.
