Subject: Please keep our ocean clean and healthy
Date: Sunday, September 11, 2011 9:45:20 PM

Please do not lower your standards and allow Poseidon and other companies to pollute our ocean. It would be very short sighted to ruin our planet in the name of what good for business. Keep our standards high the planet alive and well. Thank you, Carol Zwaans 19531 Sardinia Ln., Hunt. Beach, CA 92646
