

# Collaborative Implementation Project

*Facilitating stewardship of California's Marine Protected Area network.*

## MPA Collaborative Workshop December 1 - 2, 2014

A WORKSHOP TO LEARN FROM PART-  
NERS AND CHART A PATH FORWARD  
FOR EFFECTIVE MPA MANAGEMENT

Fourteen Collaboratives associated with different areas of the coast and made up of a broad range of citizens from different ocean user groups are supporting effective MPA network management. This

workshop brings together Collaborative leaders for two half-days of learning and sharing with agency representatives from the Department of Fish and Wildlife, the Fish and Game Commission, the Department of Parks and Recreation and the Ocean Protection Council (OPC).

- Communication
- Collaboration
- Partnerships
- Trust
