In an effort to be considerate of the wildfires and power outages affecting parts of California, this agenda has been revised to a 1-hour meeting that will focus solely on reviewing new information available to inform the 2019-20 preseason risk assessment.

*Interested members of the public are invited to attend this working meeting **as listeners only** via the conference line. There will not be opportunities for public comment. All participants will be asked to identify themselves at the start of the call. For more information about the Working Group, including meeting materials and summaries, visit: <http://www.opc.ca.gov/whale-entanglement-working-group>.*
